## STUDENT INDUCTION PROGRAMME

### Introduction

Transition from school to university/college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations.

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed.

### OBJECTIVES:

- It is mandatory for all the fresh students admitted in any UG Degree Programme offered by the college.
- To help the students feel comfortable in the new environment and adjust to the customs and practices of the college.
- To enable the students to become familiar with the amenities and accessing the intellectual and physical resources of the institutions
- Giving attention to stimulating social integration of students among themselves and with teachers.
- Introducing the student support systems of the college.

### Students Induction Programme Committee

## INDUCTION PROGRAMME – FOLLOW UP

- SIP is not just a few days programme for the first-year students. It should be continued throughout till the completion of graduation.
- Mentor-mentee system in the college is employed for the follow-up action apart from the involvement of the HoD and class teacher. Mentors meet the mentees regularly and discuss about

students progress and welfare and at the end of every semester it should be documented and the documents should be maintained in the department.

- Follow-up of each student is discussed with the parents during class PTA meetings.
- Regular evaluation of Students Induction Programme
- Sending yearly SIP report maintained by the departments along with documentary evidences, photographs and feedback (both manual and video) by the students to UGC AND MHRD/ Ministry of Education.
